

# Global Pandemic

News that is going on in my area and the rest of the world is covid 19. **It has made a huge impact on the global economy as well as harmed hundreds of thousands of people in the world in a very short amount of time.** *Covid 19 is a global pandemic that has changed every person's day to day life dramatically.*

## Covid 19

"Covid 19 has changed how kids are getting an education, works are being closed, and people are being laid off because of this global pandemic. However like ever pandemic humans have been through they have gotten through it."
